

Only Genuine is good enough

Adding your personal touch to your TUCSON could not be easier. Every Hyundai Genuine accessory is designed and engineered to fit perfectly. And they are all engineered and manufactured to Hyundai's exacting standards. These are the qualities that ensure your TUCSON will always stay absolutely genuine. Please refer to the table on the last page for the part numbers and applicability of the accessories.

Discover the TUCSON.

Your personal touch.

Your careful selection of Genuine accessories can create your TUCSON like no other. Because it will display the overall look that you alone have chosen.

Emphasize your character.

It's all a question of taste. Do you prefer the eye-catching elegance of high-gloss piano black, or the more reserved subtlety of brushed aluminium optic. You can maintain the theme you choose through a variety of styling enhancements.

Exterior styling kit

The styling kit consists of door mirror caps, side trim line and tailgate trim line.

Tow bar wiring kit

Installation uses original vehicle connectors and a multifunctional trailer module which amplify all necessary signals and communicates also with the vehicle. Compatible with both conventional bulb and LED trailer lamps. The park distance warning system and rear fog lights are automatically switched off when a trailer/bike carrier is connected & detected.

With the new trailer lamp control feature, a notification is sent via vehicle cluster when a tail, brake, or indicator light malfunction.

For your safety and comfort, other Advanced Drive Assist Systems of the vehicle are also automatically deactivated when a trailer/bike carrier is connected & detected. For more information, please check the owner's manual or contact your dealer.
